LIGHTTRIM.COM

WHY LIGHT TRIM?

Our trims are designed according
to the technical requirements
of fiber cement siding manufacturers

Enhances the finish of
fiber cement siding

Enables compliance with fiber cement
siding warranties

Up to 60% less obtrusive than folded steel
and our competitors' trims

We offer the fastest delivery
in the industry

Protects the edges of fiber cement
panels and boards

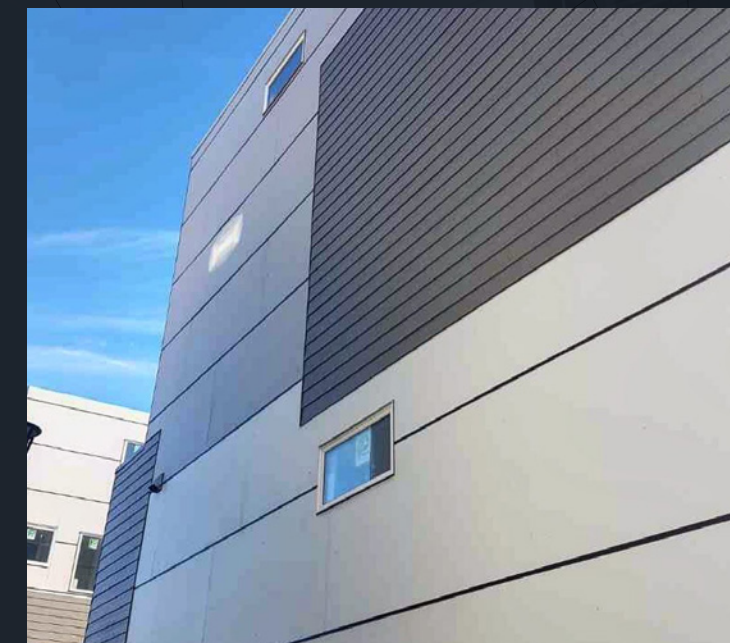

Provides optimal management of water
run-off over siding

LEED® Canada v4 Certified
